In the case of an original plan, the objection must be filed and served within 20 days after the conclusion of the meeting of creditors pursuant to Section 341 of the Bankruptcy Code. In the case of an amended plan, the objection must be filed and served within 20 days after the date of filing of the amended plan or motion to amend. Absent objections, the Court may confirm/approve this Plan without further hearing. The Local Rules and the Court's Instructions For Use of Standard Plan should be consulted for every plan as they contain instructions and definitions that are crucial to understanding this plan. The Mortgage Holder means the holder and/or servicer of a lien on real estate/mobile homes. If a servicer is listed as the mortgage holder, the Mortgage Holder shall be bound by this plan as if it was specifically listed.

(b) Arrearage: NONE, The Trustee will pay 100% of arrearages (inclusive of interest at the rate of 0 %) in equal monthly installments of \$25.00 for the first 57 months, then \$0.00 per month thereafter (this arrearage payment is calculated such that the arrearage will be paid no later than 90 days prior to the last scheduled distribution by the Trustee). Costs of collection, including attorney's fees incurred by the Mortgage Holder as a result of the filing of this bankruptcy case and before final payment of the arrearage amount specified below shall be added to the arrearage amount.

The amount of arrearage is:

First mortgage \$2,817.82

Second mortgage \$425.00

(c) IN THE EVENT THE MORTGAGE IS TO BE PAID INSIDE THE BANKRUPTCY BY THE TRUSTEE, THE FOLLOWING TERMS APPLY:

- (1) Requirement of Mortgage Holders to timely determine and file a notice with any changes to the mortgage payment during the bankruptcy.

If the amount of the monthly mortgage payment is adjusted, or should have been adjusted pursuant to applicable non-bankruptcy law, the contract, or standard industry practices, from the amount listed above during the course of this bankruptcy, the Mortgage Holder shall, not less than 30 days prior to the effective date of the change, file with the Court a Notice of Payment Change with an attachment indicating the amount of the change and the reason therefore, and shall serve the Debtor, the Trustee and the Debtor's attorney with said notice. Debtor may, within 30 days of the filing of the notice, file an objection to the notice. If no objection is filed, Debtor shall file with the Court a Motion to Increase (or Decrease, if applicable) Plan Payments, indicating the increase or decrease in mortgage payment (and plan payment accordingly).

- (2) Failure to timely file notice of payment change regarding changes to the mortgage payment during the bankruptcy.

If the Mortgage Holder fails to timely file a notice and notify the parties listed above, then upon completion of this chapter 13, and upon entry of the order of discharge, the Mortgage Holder is required to treat the mortgage as reinstated according to its original terms and may not recover any amounts then owing due to the non-payment of any additional amount of mortgage payments. The Mortgage Holder is further prohibited from adding this amount to the principal of the loan or including it as any type of a charge or fee.

- (3) Notice to Mortgage Holders of payment of arrearage, reinstatement of mortgage, requirement of Mortgage Holder to file statement of outstanding obligations, consequences of failure to file statement, and Debtor's right to rebut and determine outstanding obligations.

Within 30 days of issuing the final payment of any cure amount specified in Section (b) above, the Chapter 13 Trustee shall serve upon the Mortgage Holder, the Debtor, and Debtor's attorney a notice stating: (1) that the cure amount has been paid, satisfying all pre-petition

mortgage obligations of the Debtor; (2) that the Mortgage Holder is required to treat the mortgage as reinstated and fully current unless the Debtor has failed to make timely payments of post-petition obligations; (3) that if the Debtor has failed to make timely payments of any post-petition obligations, the Mortgage Holder shall, within 30 days of service of the Trustee's notice (or such longer time as the Court may order) (a) itemize all outstanding payment obligations as of the date of the notice (including pending increases to the mortgage amount due to necessary obligations by the debtor, i.e., due to an increase in the monthly escrow), and (b) file a statement of these obligations with the Court, giving notice to the Chapter 13 Trustee, the Debtor, and Debtor's attorney; (4) that if the Mortgage Holder fails to file and serve a statement of outstanding obligations within the required time, the Mortgage Holder is required to treat the mortgage as reinstated according to its original terms, fully current as of the date of the trustee's notice; and (5) that if the Mortgage Holder does serve a statement of outstanding obligations within the required time, the Debtor may (i) within 30 days of service of the statement, challenge the accuracy of the statement by motion filed with the Court, on notice to the Mortgage Holder and the Chapter 13 Trustee, or (ii) propose a modified plan to provide for payment of additional amounts that the Debtor acknowledges or the Court determines to be due. THE MORTGAGE HOLDER IS BOUND BY THE REQUIREMENTS AND CONSEQUENCES OF THIS NOTICE. To the extent that amounts set forth on a timely filed statement of outstanding obligations are not determined by the Court to be invalid or are not paid by the Debtor through a modified plan, the right of the Mortgage Holder to collect these amounts will be unaffected. No liability shall result from any non-willful failure of the trustee to serve the notice required by this subparagraph.

(d) IN THE EVENT THE MORTGAGE IS PAID OUTSIDE BY THE DEBTOR:

(1) The Mortgage Holder is directed to continue to send any regular statements, payment books, or other communications (that were made in the regular course of business before the filing of the bankruptcy) directly to the Debtor concerning regular monthly payments or changes/adjustments thereto. Debtor shall not pursue any violation of the automatic stay if Debtor receives these communications.

(2) If the Debtor pays the cure amount through the plan as listed in Section (b) above, while timely making all required post-petition payments outside the bankruptcy plan, then upon completion of this plan, the mortgage will be reinstated according to its original terms, extinguishing any right of the Mortgage Holder to recover any amount alleged to have arisen prior to the filing of the petition.
